Other Information

On-Street Parking

On-street parking is prohibited at all times unless the office is notified of extenuating circumstances and permission is granted by the Board. If permission is granted, vehicles must not block at least one lane of traffic. HHPOA is not responsible for any damage to vehicles resulting from on-street parking.

Overnight Parking

Overnight parking is strictly prohibited anywhere within Hickory Hills, except on private property. Exceptions may only be granted if prior arrangements are made through the office and explicit permission is approved by the Board.

Cleaning Swale

Members are responsible for maintaining and cleaning the swales in front of their property. If you encounter an issue you cannot resolve—such as a swale that needs to be dug out or a problem connected to an adjoining swale—please report it to the HHPOA office.

Leaves, Debris & Snow

Placing leaves, snow, or debris on HHPOA roads or swales is prohibited and subject to a fine.

Winter Weather

Snow plowing begins when 3 inches of snow have accumulated on HHPOA roadways. On-street parking is prohibited at all times and especially during plowing operations — vehicles left on the roadway will be cited and towed at the owner's expense.

Reporting an Issue

In the event of an emergency, such as a blocked road, you may call the office and leave a message. For all other situations, you must either complete a Road Maintenance Form and drop it off at the office, or submit a ticket through the HH Portal.

Road Signs:

All drivers must obey posted road signs, including stop signs and speed limits. Failure to follow traffic control signs may result in fines.
